Life Purpose Training Ministries

LPTM 501(c)(3) 

Excellence in Christian Coach Education

Partner with us as we open Life Purpose Coaching & Training Centers around the world! You can give a tax-free donation to LPTM to help fund the establishment of Christian Centers in countries and states that need your financial help. Our dream is to offer scholarships to those church and ministry leaders, who can't afford the costs of training and consulting to launch a Center.

On page 2, you can read about Dr. Katie's 1988 Dream of opening 200 Women's Coaching & Training Centers to help ladies discover and fulfill God's Plan for their lives, but don't be surprised that men have insisted that her vision for establishing Centers worldwide now includes them!

We provide two simple options for giving a donation to help fund the Dream of Life Purpose Coaching & Training Centers worldwide:

- 1.) Click on one of the links on this webpage to make a one-time or a recurring donation.
- 2.) Make check payable to Life Purpose Training Ministries and mail to:

Dr. Katherine Brazelton
ATTN: LPTM Assistant
3820 Oak Shadow Way
Fort Collins, CO 80528

Thank you for supporting this global ministry to help women and men discover/fulfill God's plan for them! Your Tax Receipt will be emailed to you within three days.

Katie's Dream of Opening 200 Centers!

Katie's Dream

On May 6, 1988, I scribbled an entry in my spiritual journal. It was an entry I didn't know how to deal with, how to honor, or how to begin to understand by myself, so I threw it in an old box of writings. It gathered dust for years.

Journal Entry May 6, 1988

"What would you call a house that is not a convent, not a retreat house, not a religious college, and not a "shrink center," but it is a beautiful home in the desert, in the mountains, or overlooking the ocean where girls and women could come to share their dreams and visions and hopes and aspirations? It would be a place that moms and dads would pray their daughters would ask to be sent to, in order to crystallize their life's mission statement.

The only stipulation that would be placed on acceptance of a woman's application would be as follows: Do you have a passion in life to do something that is service-oriented for your community, nation, or world? And, if so, to whom will you give the glory and honor for your work?

The concept of teaching women to be successful in whatever field they choose—be it in politics, education, homemaking, law, finance, business, or whatever—would be tempered with empowering them to be women of great faith."
